WITH  
REPEALS AND AMENDMENTS NOTED UP TO DATE.

PART I  
COMPRISING ENACTMENTS PASSED BY THE GOVERNOR  
GENERAL IN COUNCIL OR BY THE GOVERNOR  
GENERAL ALONE.

CALCUTTA :  
OFFICE OF THE SUPERINTENDENT OF GOVERNMENT PRINTING, INDIA,  
1895.

CALCUTTA :  
GOVERNMENT OF INDIA CENTRAL PRINTING OFFICE,  
8, HASTINGS STREET.

**C**HRONOLOGICAL Tables of particular classes of British Indian Enactments have been published from time to time with the volumes of the revised edition of the Indian Statute-book issued by the Legislative Department of the Government of India, but no edition of the tables as a whole has been published under the auspices of that Department since the publication in 1883 of Mr. Agnew's edition of the "Index to the Enactments relating to India." The present tables comprise all enactments passed by the Governor General in Council, or by the Governor General alone, up to the 1st November, 1895, and it is intended shortly to publish similar Tables of Enactments passed by local Indian Legislatures.

2. In column 4 of these tables are noted all repeals and amendments made up to the 1st November, 1895. With respect to the entry of repealing enactments in that column the practice has, as a rule, been as follows:—

- (a) where an enactment has been totally repealed more than once, the latest repealing enactment has alone been entered;
- (b) where an enactment has been partially repealed and afterwards totally repealed, the total repeal only has been entered: a repeal of the unrepealed portions of an enactment is treated as a total repeal;
- (c) partial repeals covered by later partial repeals have not been entered;
- (d) local repeals covered by later local repeals have not been entered;
- (e) where an enactment has been locally repealed and afterwards repealed by an enactment whose operation is unrestricted, the later repealing enactment has alone been entered.

3. There are also noted in column 4 of the tables—

- (1) the declarations made by the Laws Local Extent Act, 1874, sections 3 to 7, and by the various local Laws Acts and Regulations, as to enactments being in force in particular parts of British India, and
- (2) some other legislative declarations affecting the operation of enactments.

The entries of the second of these two classes are not so complete as it is hoped they may, in course of time, be made.

4. The local extent in British India of many enactments has been declared or enlarged by means of notifications issued under the Scheduled Districts Act, 1874, and under various other enactments. Such notifications are not entered in column 4 of these tables, which is confined to declarations made by legislation; but they will be found in the volumes of local Rules and Orders made under Enactments which are published, or are to be published, by the Local Governments.

5. Many enactments have been applied by executive orders to foreign territory. Such orders are published in Mr. Macpherson's "List of British Enactments in force in Native States."

6. In the case of enactments which have been wholly repealed, or have expired, or which apply to the Straits Settlements only, the entries in columns 3 and 4 of the tables are printed in italics.

7. In column 5 of the tables are noted the volumes of the revised edition of the Indian Statute-book in which the several enactments which are still in force have been or are intended to be published. The latest editions of the several volumes are as follow :—

The General Acts from 1834 to 1866, Ed. 1887.

The General Acts from 1867 to 1876, Ed. 1887.

*The General Acts from 1877 to 1881, Ed. 1884.*

*The General Acts, 1882, Part I, Ed. 1885.*

*The General Acts, 1882, Part II, 1883 and 1884, Ed. 1885.*

*The General Acts from 1885 to 1888, Ed. 1889.*

*The Madras Code, Ed. 1888.*

*The Punjab Code, Ed. 1888.*

*The Burma Code, Ed. 1889.*

*The Bengal Code, Vol. I, Ed. 1889, containing the Bengal Regulations, the Local Acts of the Governor General in Council and the Regulations made under 33 Vict., Cap. 3, in force in Bengal.*

*The Bengal Code, Vol. II, Ed. 1890, containing the unrepealed Acts of the Lieutenant-Governor of Bengal in Council.*

*The Baluchistan Code, Ed. 1890.*

*The Central Provinces Code, Ed. 1891.*

*The North-Western Provinces and Oudh Code, Ed. 1892.*

*The Coorg Code, Ed. 1893.*

*The Ajmere Code, Ed. 1893.*

*The Bombay Code, Vol. I, Ed. 1894, containing the unrepealed Bombay Regulations, and the Local Acts of the Governor General in Council and the Regulations made under 33 Vict., Cap. 3, in force in Bombay.*

8. The reserve stock of the volumes of General Acts from 1877 to 1884, and of the Burma, Baluchistan, Central Provinces and North-Western Provinces and Oudh Codes is exhausted. There are at present in the Press Volumes II and III of the revised edition of the Bombay Code (containing the unrepealed Acts of the Governor of Bombay in Council) and a Code for Assam.

9. Some enactments, though still in force, have, for various reasons, not been published in the revised edition of the Indian Statute-book. Against each of these enactments the words "Not republished" are entered in column 5 of these tables.

10. Several enactments have been separately reprinted by the Legislative Department of the Government of India, as modified by subsequent legislation, and several have been translated under the auspices of the Department. Such of these reprints

and translations as are still in stock are mentioned in column 5 of the tables.
